Summer Reading End Party

We've had a fantastic summer reading program with LOTS of readers! Our annual end party will be held on August 7th.

For our end party, we'll be hosting a town wide hunt! Pete the Cat and Miss Zoe have gone missing and we need to find them before it gets dark out!

The hunt will start at the library and travel to different places around town before ending at a secret location where we'll play some games, work on a secret project, have a popsicle or two and pick up our summer reading prizes!

The program runs from 10am to 12pm on August 7th and is drop-in. You can start the scavenger hunt at any point between 10am and 11:30am.

Sign up is NOT required for this event.

New England Lighthouses and the People Who Kept Them

The NH Humanities Council will be presenting a program at EKPL on August 18th at 7pm over Zoom.

Everyone knows that there's "something about lighthouses" that gives them broad appeal, but their vital role in our history and culture is little appreciated. Our early nation was built on maritime economy, and lighthouses were part of the system that made that possible. Due to automation, traditional lighthouse keeping is a way of life that has faded into the past. Jeremy D'Entremont tells the history of New England's historic and picturesque lighthouses primarily focusing on the colorful and dramatic stories of lighthouse keepers and their families.

Want to sign up? Call us at (603) 642-8333, email us at ekpublib@comcast.net, or fill out the online sign up form at <https://forms.gle/UgdjRUbDMxUr5ku17>

Taking a Story Hour break

The last summer story hour will be held on August 6th at 10am on Zoom. For the rest of the month, the library will taking a break from both virtual and outdoor story hours so we can recuperate from summer reading and start planning all the new story hours we'll have in September.

Summer Reading Thank You

Summer Reading is always a busy time of year for libraries, but we wanted to take a minute to thank our Friends for providing everything we needed to help kids reading this summer.

It was our goal this year to utilize our community, and with the help of the Friends, we accomplished that. We were able to partner with all NH businesses and non-profits such as Jones General Store, the Pound School Used Book Store, Squam Lakes Natural Science Center, Seacoast Science Center, and Mr. Aaron. On top of the big programming, the Friends helped purchase all the supplies we needed for our take and makes, They bought us beautiful yellow tents so we could have programming outside without worry of sunburns or rainstorms, and so much more. Without the help of our Friends, none of this would have been possible. So, if you are a Friend, we thank you!
