Pollinators 101

National Pollinator Week is June 21-27! How will you celebrate?

On Tuesday, June 22 at 6pm, you are invited to join Pollinators 101, an online program where you'll learn about NH's "super seven" pollinators, the benefits they provide (hint: chocolate, coffee, blueberries), and how we can help pollinators in our own yards. Please call the East Kingston Library at (603) 642-8333 to register. The Zoom link will be emailed the night before the program. Free and open to the public, the program is co-sponsored by the East Kingston Conservation Commission, Pollinator Pathways NH, and the East Kingston NH Library. Find more ways to celebrate pollinators at www.pollinator.org/pollinator-week.
