DISCOVER DIY: PRINT MAKING

Hayley Gray, a local artist from Berwick Maine, will show us how to carve a printing block that can be used to print on fabric. Inspired by nature, these designs will be perfect for use on the dish towel that each participant will receive as part of their \$10 fee. Hayley has been quilting for 20+ years and began her love with printmaking and fabric design roughly 3 years ago. You can learn more about her and her projects at www.hayleygraytextiles.com
